Sir,

Subject - Opening of weekly shandies in the Nanjangud Town

In forwarding herewith, the file of correspondence ending with report No P C 108 dated 26th August 1946 received from the President, Town Municipal Council, Nanjangud on the above subject, I have the honour to state that the question of holding weekly shandies by the Municipality in what is known as Jogi Tope comprising S Nos 8 and 12 of the Kasaba village Nanjangud, leased to by the Muzrai Department for a period of 10 years on an annual rent of Rs 120/- has been engaging the attention of the Council from a long time past

S No 8 is 4 acres in extent and belongs to Sri Srikanteswaraswamy temple and S No 12 (130 acre 16 guntas in extent) belongs to Government The Dharmadarsis of the temple have permitted the Municipality to hold shandies on these areas subject to 50% of income realised being given to the temple after a substantial income is derived from the shandy by the Municipality

The Council have been spending at present more than what they collect in the shape of rent annually in order to provide Sanitary, Light and other facilities to the people who assemble during Jatras and other festive occasions They are anxious to improve their revenue by holding weekly shandies which are expected to bring in a sum of Rs 600/- per annum besides improveing Octroi and Toll revenues also

The District Board who were consulted in the matter have expressed themselves against the idea on the ground that there are shandies already in the neighbouring villages, Madahalli,

Kadakola and Hemmaragala (vide copy of the President's letter C 228/45-46 dated 20-6-46 enclosed The Council however are insistent on shandies being held as they assert that the question was being urged even long before shandy at Kadakola was opened They have therefore, again resolved at their meeting held on 28-7-1940 to conduct weekly shandies

It cannot be denied that there is need for the Municipality to improve its revenue as recently Government have ordered the Municipality to bear the entire cost of the maintenance of water supply establishment, which will substantially reduce its balance It has got a big water supply shheme to undertake and a Town Hall to construct I think therefore that the suggestion of the Council to hold weekly shandies deserves consideration

I request, that Government may be kindly moved to accord sanction to the proposal early

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner
Mysore District

Sub The lease of Jogi Thope belonging to Sri Srikanteswara Swamy temple, Nanjangud, to the Municipality at the place

---

With reference to your memo No Mo-612/46-47 dated 5-5-1947 on the above subject, I have the honor to state that it is reported by the local officers that the Government in their Order No L 7350-27/11 187-35 2 dated 28-3-1936, sanctioned the lease of the right of collection of ground rent on shops and shows during Jatra and other festivities in connection with the Sri Srikanteswaras amy temple, Nanjangud, to the Municipality at the place @ annual rental of Rs 120/- per annum for a period of ten years The period of the lease expired at the end of March 1946 and the Municipal Council have requested for a renewal of the lease on the same terms for a further period of ten years The Dharmadarsis of the temple are of the opinion that the lease may be restricted to five years as in the case of other properties, and the annual rental increased to Rs 150/- Though the period of the lease has expired, the local Municipality are collecting the ground rent in anticipation of renewal They further report that a number of dirty looking temporary shops spring up by the road on the northern side of the temple during Jatras and other festivals and that they are most insanitary and also obstruct pilgrim traffic and that it is a hindrance to the free passage of Uttsavas, The above have been observed previously by the inspecting officers and very recently, i e , on 7-12-46 by the Rural Commissioner It is therefore not desirable to allow these ugly looking shanties to spring up on important occasions by the side of the temple

Collection of rents on the shops is also included in the lease In these circumstances, the local officers recommend the lease of the Jogi Thope in question in favour of the local Municipality for a period of ten years from April 46, subject to the condition that no permission should be granted for the construction of shops on the side and also in front of the temple on Mechanattle days, @ an annual rental of Rs 150/-

As regards the holding of a weekly shandy at Nanjangud on the site known as Jogi Thope, the local officers report that the Dharmadarsis have resolved that the Municipality may be permitted to hold weekly shandies in the Thope subject to the payment of Rs 50/- per annum to the temple funds The Municipal President has stated that the Council is prepared to share the profits from the weekly shandies equally or in such proportion as may be decided between the Municipality and the Rural Department on substantial realisation after providing for all facilities like sanitation water supply etc The local officers therefore recommend that the Municipality may be permitted to hold weekly shandies in the Thope temporarily for a period of one year subject to the payment of Rs 50/- to the temple as the income that may be realised from the shandy cannot be forecast with certainty at present, the question being revived again at the end of the year

The proposals of the local officers are as follows -

1 The lease may be renewed for a further period of ten years subject to payment of Rs 150/- per annum, for certain conditions stated above

2 Weekly shandies may be arranged to be held subject to payment of Rs 50/- per annum, for one year only, the question of further lease being considered with reference to the actual income etc

I agree with the above recommendations of the local officers the connected records received from the Sub Division Officer, Nanjangud
